CELEBRATING SCOUTS HALL DELIVERED IN DEER PARK

Scouts in Deer Park will now have an upgraded hall to develop leadership skills, connect with community, participate and grow – thanks to a \$140,000 investment from the Allan Labor Government.

Minister for Youth Natalie Suleyman and Member for Kororoit Luba Grigorovitch today toured the Deer Park Scouts Hall to celebrate the upgrades for Scouts and the community to enjoy.

The hall is a hub for local scouting activities, providing young people with a base to connect, develop, thrive and engage with their community in a safe and accessible space.

The hall, located on the edge of Sassella Park Playground, is a short stroll from public transport and is available for other groups in the local area to hold events and meetings – strengthening ties between Scouts and the broader community.

The improvements include new flooring, heating and cooling, upgraded accessible toilets and asbestos has been removed.

The Deer Park Scout Hall is part of the Labor Government's \$942,000 investment in Scouts Hall upgrades made through the *Victorian Budget 2023/24*, ensuring young Victorians have modern spaces to support their activities.

This builds on the Labor Government's previous \$5.5 million investment in Scouts facilities across the state – matched by Scouts Victoria. The funding has supported the recent upgrades to Scout halls in Springvale, Albert Park, Strathfieldsaye, Epping North, and Frankston South.

Participation in scouting has increased by 30 per cent over the past decade, demonstrating its enduring appeal and role equipping young people with valuable life skills and confidence.

With more than 20,000 young members and 5,000 adult volunteers, Scouts Victoria continues to thrive as one of the state's largest youth organisations.
